

Ravenna San Hom

3D Animator

ravenna.animator@gmail.com
www.linkedin.com/in/ravenna-san-hom

Aspiring Animation graduate with strong communication and organization skills, eager to expand my knowledge and skills from the best in the industry, and dedicated to bring joy and entertainment to audiences with high quality animation.

Skills

- Autodesk Maya
- ToonBoom Harmony
- Storyboarding
- Traditional Animation and Art skills (life drawing)
- Detail oriented
- Adaptability and Flexibility
- Collaboration and Teamwork
- Openness to Feedback and Constructive Criticism

Education Experience

Advanced 3D Animation and Modeling Diploma, Jan 2023– Jan 2025,
Kwantlen Polytechnic University

- Animated characters to dialogue and pantomime, from storyboarding and shooting references to final animation.
- Stuck to strict deadlines on time, managing different projects and had weekly feedback sessions with personal mentor to achieve the best quality animation of my ability.
- Experimented different 3D animation workflow and problem solved different technical issues, such as errors in constraints and ik/fk switches.

Classical Animation Diploma, Aug 2022–Aug 2023,
Vancouver Film School

- Made hand-drawn animation traditionally and digitally.
- Made an animated short film, from pre-production to final animation
- Used Toon Boom Harmony mainly to animate and learnt 2D pipeline.

Animation Art and Design Diploma, Oct 2019 – June 2021,
LaSalle College Vancouver

- Introduced to the 3D pipeline, animation and importance of figure drawing
- Learned how to work as a team in a pipeline by making a short film where I was assigned shots and had a production manager overseeing the project.
- Learnt about different areas in the industry, eg rigging and lighting, and how different departments are coordinated in a project.

Work Experience

Kwantlen Polytechnic University - Research Assistant
May 2024 – July 2024

- Made storyboards, animatic and was responsible for tracking story development as it evolved.
- Managed hours dedicated to team meetings outside of classes and school assignments.
- Explained the story and context of the decisions made to new people joining the project.

Cat Therapy & Rescue Society - Volunteer
Oct 2023 – April 2024

- Kept facility clean, organized and well-maintained to keep cats happy and healthy.
- Observed sheltered animals behavior for unusual medical or behavioral problems.
- Made sure potential cat parents know how to contact for adoption using verbal and written communication skills.
